ones that you know now. May your soul be light and  
shel - ter from the rain. May a rain - bow fol - low  
day turns in - to night. I wish you love to

**11 G C G D G C**

mer - ry, And your heart be blithe and gay. And I wish you e - v'ry  
e - v'ry storm, When e - ver skies are grey, And I wish you e - v'ry  
fill your heart, And peace to fill your days. And I wish you e - v'ry

**15 G D C Em D C G**

bless-ing as you go a-long your way.  
bless-ing as you go a-long your way.  
bless-ing as you go a-long your way.

Note: The way I sing this, the rhythms are not particularly consistent from verse to verse. Often, when I have a dotted quarter followed by a sixteenth, those durations could be switched in another verse. Mea culpa! It's just the way my musical brain works. You can listen to a video to get a better idea of what I do, or simply use your own intuition, and knowledge of how the words sound when spoken.

Feel free to perform this at SCA events and the like, with proper attribution. Please do not record or re-print it without permission. I can be reached at [rohais@serenity-woods.net](mailto:rohais@serenity-woods.net)
